WELCOME TO OUR ACER-CART REDESIGNED WEBSITE

<https://acer-cart.org>

We invite you to familiarize yourself with the website at your own leisure, or to explore it using the **ACER-CART** Website Treasure Search.

Our aspirations in this redesign were guided by ACER-CART Objectives, as we focused on facilitating easy access to Advocacy information, to AGM approved Priorities that have evolved from issues affecting the well-being of seniors, and to Member websites and publications all across Canada

It may be a long winter with COVID numbers rising once again. Let's use that time to become more familiar with the thirteen Members through their websites and publications.

Our predominant colours now are red and blue. If the banners are still showing yellow, refresh your computer. If that does not work, delete cookies and temporary files.

Stay safe, everyone, and believe that this too will pass.
