

ALUMNI ASSOCIATION OF NSTC

September 3, 2019

Dear RTO Presidents,

For the benefit of our membership, I am writing to inform our graduates about our Annual Nova Scotia Teachers College/Normal College Reunion. If you could convey the following information to all at forthcoming RTO meetings, I would greatly appreciate it.

Reunion 2020, will be held August 21st-23rd, 2020, at the Best Western Glengarry, Truro. Our keynote speaker will be Senator Jane Cordy '70 and as well, we are pleased to welcome Lois Musselman '69 to deliver remarks. Featured classes in 2020 will be celebrating all decade years ending in '0'. Through contacts, I have been able to reach hundreds of Grads from 1950 through 1970, so we anticipate another grand turn out in 2020. 1980 and 1990 Grads, too, are encouraged to attend. Come one come all!

We invite all graduates of NSTC and the Normal College, to join us each year, to celebrate not only their specific decade year, but also in recognition of other years, as we rekindle memories and friendships of those great years at our beloved College. All Grad years are welcome each year!

Please access our website www.nsteacherscollege.ca. The Reunion information is updated often on the website.

Grads are encouraged to support their Alumni, through membership dues of \$25 per year or 5 years at \$100. Expenses are costly and without Alumni support, we could not continue.

If I have contacted you about your 2020 alumni reunion, information will be emailed to you in November. If you have not been contacted, please email Bob Jordan. His email is: Alumni-NSTC@uniserve.com. Membership can also be updated through e-transfer at the same email address. Bob's phone number is 902.890.9014.

Should you wish to contact me directly, my email is info@nsteacherscollege.ca Phone 902.890.1538. I would be happy to speak at an RTO meeting, as well, to answer any questions you may have.

Thank you,

Kind regards!

Margie MacIntyre '78
NSTC Alumni president
